The Legal Aid Society of Hawaii was founded in 1950 by community leaders--including Judges Sam King and Betty Vitousek. Their mission to provide equal access to justice for all Hawaii residents still guides Legal Aid today.

Legal Aid helps people with their legal problems so they can focus on improving their lives. We specialize in family, housing, employment, public benefits, and consumer rights, empowering people to: get out of abusive situations; fight illegal evictions; secure medical and financial entitlements; and handle creditors and collectors.

THERE IS NO GOOD EXPLANATION FOR HOUSING DISCRIMINATION

- “You can look at the apartment if you want, but I’ll tell you right now, there are no other Chinese people in the building.”
- “I’m sorry, but we can’t reserve a parking space for you just because you are disabled.”
